

MAINTAIN YOUR COMPUTER

SLIS-LITA

A presentation by Library Information Technology Association (LITA)
student chapter

Before you get too far into the semester...

ENSURE YOUR COMPUTER'S SECURITY

What would you do if your computer was accidentally dropped or stolen?

CHOOSE A BACKUP STRATEGY AND USE IT

Are all your important data files backed up?

MAKE SURE YOUR COMPUTER IS RUNNING CORRECTLY

Is your hard drive running optimally? Does it boot up quickly?

**WHEN WAS THE
LAST TIME YOU
BACKED UP YOUR
ESSENTIAL
FILES?**

Bring your
computer!

Want to learn how to complete these tasks and more?

When / Where : January 29, 2009

2 sessions: 12 - 1 pm or 3 - 4 pm in the SLIS Computer Lab
